Rnd 19	This row is up to you to make it as tight or loose as you want. It should be approximately the circumference of head when stretched slightly. Linda doesn't increase on this row, but says that you can increase by putting 2 sc every so often in the dc of the prior row to make it a little bit bigger.	?
Rnd 20-24	Hdc in each sc. Fold up 2 rows to give it the appearance of a band.
