

Rebecca Yaker Bird WORKSHOP November 2022 - 2 DAY Plaid Workshop

Rebecca has been machine knitting for decades and you may know her as the designer and maker of the **Sock Monkey Prom Dress**, as the coauthor of the **One Yard Wonders** books or her website <https://www.rebeccayaker.com> .

Topics will include:

She will be teaching us how to knit plaid on a single-bed knitting machine using intarsia and slipstitch and will have some patterns included so that we can make something wearable with this technique during the 2 days.

Any knitting machine that can knit intarsia and slipstitch can be used and the pattern for the slipstitch can be easily hand manipulated if you are using a non-patterning machine such as an LK150 or KH230. Any standard, mid-gauge or bulky machine with intarsia and slipstitch capability will work.
